

## Summary

NRamat Negev Regional Council serves as a significant partner in removing barriers and creating opportunities. The council offers a wide range of educational frameworks, diverse fields of employment - including agriculture, tourism, research institutes, and academic campuses -and rich community life. The council offers dedicated benefits for physicians and a personalized matching process for different types of settlement.

## Main Opportunities

Wide range of educational frameworks | Diverse fields of employment - agriculture, tourism, research | Personalized matching process for different types of settlement | New integration neighborhood in Revivim

## Local Assets

A wide range of educational frameworks, diverse fields of employment, rich community life with a support system for new families, and unique frameworks — communication kindergarten, communication class, Beit Ekstein, and a therapeutic center.

## Future Plans

New integration neighborhood in Kibbutz Revivim, accelerated development of all Ramat Negev communities, establishment of the community village of Nitzana, diverse education systems - 3 elementary schools, a regional high school, and 2 boarding high schools, and leadership in agricultural innovation.

## Additional Services

Educational and community initiatives | Employment infrastructure for spouses | Scholarships, incentives, and grants | Personalized matching process for different types of settlement, with individual guidance

## Tax Benefit

7%–12% | Varies by community | Cap: ₪180,000

## Travel Times to Medical Centers

Soroka Medical Center: 40–50 min. | Planned Sheba Negev: 30–40 min.

## Message to Physicians

Ramat Negev is not only a local authority, but an active partner in developing medical services. Support for medical teams, commitment to developing healthcare services, and promoting a learning and supportive work environment.
